TECHNICAL DATA SHEET

HIGHJEN Drain Opener Powder · Document HXC-TDS-HJ-DOP · Version 2.1 · 11.11.2026

Product	HIGHJEN Drain Opener Powder
Description	An extra-strong powder that helps dissolve the grease, hair and other residues that block drain pipes.
Pack formats	3 × 50 g (sachets)

Directions for use

Manufacturer's recommendation.

1. **Caution:** Wear protective gloves and eye protection, make sure the room is well ventilated and keep your face away from the drain opening.
2. Remove standing water from the sink or basin as far as possible and take out the drain strainer.
3. Pour the contents of one 50 g sachet directly into the drain.
4. Slowly pour 1–2 litres of hot water into the drain, leave to act for a few minutes, then flush with plenty of cold water. Repeat once if necessary.
5. **Important:** Not for toilets. Do not use with a plunger or together with acids, other drain products or household cleaners. Do not use in aluminium, galvanised or painted pipes, or when the blockage is caused by solid objects. Do not use more than the recommended amount.
6. Keep unused sachets closed in a dry place, out of reach of children.

Typical properties

Parameter	Typical value	Specification
Appearance	White granules, matches standard	–
Odour	Odourless	–
Sodium hydroxide (NaOH) content, %	99.0	≥ 98.0
Sodium carbonate (Na_2CO_3), %	0.6	≤ 1.0
pH (1 % aqueous solution, 20 °C)	13.5	≥ 13.0

Specification approved by the HomeXCare chemist on 11.11.2026 (certificate-of-analysis parameters). Typical values are average values for information; each lot is released against the specification.

Safety, storage and documents

Hazard classification (CLP)	Danger (GHS05): H314 Causes severe skin burns and eye damage.
Packaging requirements	Child-resistant closure and tactile warning of danger (CLP Annex II, 3.1 and 3.2).
Transport	UN 1823, SODIUM HYDROXIDE, SOLID, class 8, packing group II (ADR/RID, IMDG, IATA).
Shelf life	3–5 years from the date of production in the unopened original packaging, stored as recommended.
Storage	Keep tightly closed in the original packaging in a dry place, away from acids and out of the reach of children; the product absorbs moisture from the air.
Documents	Safety Data Sheet (English, REACH Annex II as amended by Regulation (EU) 2020/878); product page with documents and directions: www.homexcare.com/products/drain-opener-powder/.

Packaging and logistics

Pack	Retail unit	Carton (mm)	Units / carton	Cartons / pallet	Units / pallet	Cartons / FTL	Units / FTL
3 × 50 g	sachets	280×260×270	24	108	2,592	3,564	85,536

Pallet: Euro pallet 80 × 120 cm. FTL = full truck load (13.6 m trailer), limited to 23 t gross weight. Logistics data are indicative and are confirmed with each order (packing list); gross weights, barcodes (EAN) and pallet patterns on request.

This data sheet describes the product as supplied and is given in good faith; it does not replace the label or the Safety Data Sheet. Further technical data on request.
